Capita takes care of the share register for the company you have invested in. If you want to sell your shares or purchase more, we provide a quick and easy service.

Our online and telephone service is ideal if you don't trade very often but still want to ensure you get the best price available at the time your trade is placed.

It's an accessible, inexpensive way to buy or sell shares in the company, and there's no need to pre-register or complete complicated application forms.
